Date: 10 – 11 March 2018  
Instructor: Tim Beames

## Course Timings

Day 1: 08.30 – 09.00 Registration  
09.00 – 17.00 Lectures  
Day 2: 09.00 – 16.30 Lectures

## Course Address

University Rehabilitation Institute,  
Linhartova 51  
1000 Ljubljana  
Slovenia

## Refreshments

Tea, coffee and water will be provided throughout the course. Lunch is available to buy at the Institute.

## Pre-course requirements:

You will need to download a Recognise™ App of your choice – Available for iOS or Android, phone or tablet. The Recognise™ App is an easy to use, portable tool set for the first two stages of Graded Motor Imagery - perfect for patient treatment with new clinician export features.

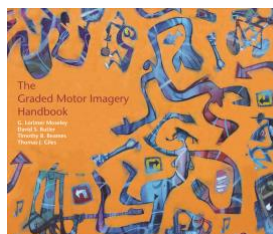

## Pre-course Reading

There are no pre-requisites for this course but if you want to do a bit of reading beforehand, the course is based on the Graded Motor Imagery Handbook - available from [www.noiukshop.com](http://www.noiukshop.com)

## Explain Pain Resources

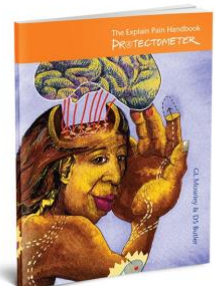

### Graded Motor Imagery Handbook

For clinicians and patients  
*Medium level science.*

### Explain Pain Handbook: Protectometer

The patient handbook. For pain sufferers to use on their own or with clinicians.  
*Not much science.*

### Explain Pain

For pain sufferers, their clinicians and anyone interested in pain.  
*Medium level science.*

### Explain Pain Supercharged

The definitive clinician's handbook. For clinicians and interested pain sufferers.  
*Lots of science*
