COVID-19 UPDATE: COTEC-ENOTHE 2020 CONGRESS POSTPONED

Dear all,

The Covid-19 pandemic currently affecting all of us has generated a great deal of uncertainty for large gatherings scheduled in the coming months. After careful consideration of the health and wellbeing of the congress participants, which is our top priority, the Organizing committee decided to reschedule the 2nd COTEC-ENOTHE Congress. The event which was due to be held on 23-26 September 2020, will now take place on **September 15-18, 2021** at the same location – **Cubex Centre Prague** and the **City Conference Center**. In light of these developing circumstances, we have concluded that postponing the event is the best decision to ensure the safest environment for all participants.

If you have any questions, please don't hesitate to get in touch with us at:
cotec-enothe2020@guarant.cz

We take this opportunity to thank all of our delegates, partners and exhibitors and count on their continued support to make the event an even greater success next year!

Stay tuned and stay safe!

With kind regards

The COTEC-ENOTHE team
